## Jr. High & Sr. High Youth Groups' Fall Plans

We're planning now to renew our Jr. & Sr. High evening Youth Group programming and forming a Youth Board to help plan events. Meeting dates & times will be announced by e-mail and posted near Sheila's office. It's been 2 years since we've had an evening program focused on community building & faith development. One reason we suspended the evening group was because many weeks only 1 or 2 youth would participate. Everyone had good intentions to come, but school, work & family obligations were also important. If you have ideas and want to be involved in the re-making of Youth Group, contact Sheila Foster ASAP. Calendars & schedules will be posted by the 1<sup>st</sup> week of September. **We'll need adult volunteers.**

## September 19, 1<sup>st</sup> Day of Sunday School

Don't miss out on the first day of class! Often times when we feel we have missed out in the beginning of something, we don't even attempt to participate. If you've ever felt that way as an adult, you know that children & youth also feel that way, multiplied by 100! We welcome & encourage parents to volunteer. We especially need more volunteers working with the grades 4-8 group. If you think this might be a ministry for you, please contact Sheila Foster. Everyone must complete Safeguarding God's Children training & a background check before volunteering.
